

Event Volunteer Register

Event:	Dates:
---------------	---------------

We are extremely grateful to all volunteers who give freely of their time and skills. Without your help our events could not run, so please know that your efforts are appreciated. TADRA's insurers do require that all volunteers working at an event read these conditions before filling in their details: 1) We can give you no payment, except as re-imbusement for expenses; 2) Our volunteers are covered by our Public Liability and Volunteer workers insurance policies, but only when they are directly assisting an at event; 3) Any injury suffered by a volunteer, must be reported to the Event Organiser; 4) All volunteers should carry out their tasks with due care and attention to recognise and manage any related risks. This is so we can keep everybody involved in a TADRA event safe and well.

Completion of your details below confirms that you have read and understood these conditions.
