The applicant does not need to complete any Identification paperwork, as the Horse Identification in your new passport will be completed by the Event Veterinarian at the first event that your horse attends. This will be done prior to the Pre-ride Vetting.

TADRA has 4 Riding Levels that a new horse achieves by having successful completions. If your horse has successfully completed distance rides in another distance discipline, s/he could be eligible for elevation up one or more Riding Levels. If this sounds like your horse, you can submit a printed record of the horse's successful completions to see if you can claim Recognition for Prior Distance for it. Refer to the **Recognition of Prior Distance** document for details – available on the website.
